<td>Service-Learning Connection</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>1-5 Points</td>
<td>I have no idea what service-learning components were used to connect with community, the presentation is hard to follow &amp; not all pictures &amp; graphs are well labeled or of good quality. Had many of these major problems.</td>
<td>It was difficult to figure out what service-learning components were used to connect with community, the presentation used was not appropriate, not all pictures &amp; graphs were well labeled or of good quality. Had more than one of these major problems.</td>
<td>I can figure out what most service-learning components and the presentation seemed appropriate, almost all pictures &amp; graphs were well labeled &amp; of good quality. I found a few problems.</td>
<td>I know exactly what service-learning components were used, they seem appropriate, almost all pictures &amp; figures were well labeled &amp; of excellent quality. I found a few very minor problems.</td>
<td>I could find absolutely nothing wrong with this presentation, I know exactly what service-learning components were used, they were appropriate, everything was well labeled &amp; of excellent quality.</td>

<tr>
<td>Conclusion or Discussion</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>1-5 Points</td>
<td>Had more than one of the following problems: the student has not convinced me they addressed their presentation points OR their service-learning components were not supported by their design.</td>
<td>Had one of the following problems: the service-learning points made were not well supported by presentation OR not clearly articulated OR their design was not clear.</td>
<td>The service-learning points were pretty well supported by their design, fairly clearly articulated, and their presentation was clear. I found a few problems.</td>
<td>The service-learning points they made were pretty well supported by their design &amp; fairly clearly articulated. I found a few minor problems.</td>
<td>I could find absolutely nothing wrong with their presentation or design. The service-learning points they made were well supported by their design, &amp; clearly articulated.</td>
</tr>
<tr>
<td>Poster Layout</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>1-5 Points</td>
<td>Had all of the following problems: material was poorly written, not organized, or easy to read, &amp; could flow more logically.</td>
<td>Had more than one of the following problems: material was poorly written, not organized, or easy to read, could flow more logically.</td>
<td>The layout was pretty good, the material was well written, organized &amp; fairly easy to read. The material could flow more logically. I found a few problems.</td>
<td>The layout was very good, the material was organized &amp; easy to read. The material flowed logically, such that it was easy to follow step by step through the project. I found a few very minor problems.</td>
<td>I could find absolutely nothing wrong with the layout of this poster.</td>
</tr>
<tr>
<td>Overall Impression</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>1-5 Points</td>
<td>I felt this student was lacking in much knowledge about this material &amp; did a poor job of conveying what they did know. I learned very little from this student.</td>
<td>I felt this student knew some of this material &amp; did an acceptable job of conveying what they knew. I learned a little from this student.</td>
<td>I felt this student knew most of this material &amp; did a good job of conveying what they knew. I learned from this student.</td>
<td>I felt this student really knew this material &amp; did an excellent job of conveying what they knew. I learned quite a bit from this student.</td>
<td>I could find absolutely nothing wrong with this poster, or the student’s presentation of the material. I learned a lot.</td>
