

The Institute for Learning and Teaching Academic Integrity Task Force

Key Question: What are the ideal elements of a program to support the development of instructors' understanding of academic integrity?

- Ease of access to information about academic integrity
- Initiatives to provide new faculty with an orientation to the issue
- Contact information to help instructors reach knowledgeable colleagues and staff
- Resources for students
- Initiatives that help students develop an understanding of academic integrity
- Initiatives that help students develop skills related to academic integrity (e.g., citation skills, paraphrasing and summary skills)
- Continuing attention to academic integrity in faculty development workshops
- Continuing efforts to establish academic integrity as the foundation of how we as an academic community interact with each other
