### JUST SO YOU KNOW!

**WHAT:** TILT Study Groups are focused on deepening your understanding of course material and practicing the skills demanded of the courses stated above. Study group sessions are highly interactive, so it’s best to come being prepared to write, share, and engage!

**WHO:** Study groups are led by fellow students (Study Group Leaders) who already mastered the course and have been trained in the areas of pedagogy, facilitation, and best practices for supporting students.

**WHY:** We recommend you plan to meet **weekly** with your study group to discuss concepts, sharpen study strategies, prepare for exams, and build relationships with others in the course.

**Free** to all students! No pre-registration required, but please be sure to sign in when you arrive!

TILT Learning Programs offers a variety of academic support. Check us out at [tilt.colostate.edu/learning](http://tilt.colostate.edu/learning)

Check schedule regularly, it is subject to change.
