### JUST SO YOU KNOW!...

TILT Study Groups are focused on deepening your understanding of course material and practicing the skills demanded of the courses stated above. Study groups are led by fellow students who have already mastered the course and have been trained in the areas of pedagogy, facilitation, and best practices for supporting students. We recommend you plan to meet weekly with your study group to discuss concepts, sharpen study strategies, prepare for exams, and build relationships with others in the course. Study group sessions are highly interactive so come prepared to write, share, and engage!

**Free** to students! No pre-registration required, but please be sure to sign in when you arrive!
